The Move/5000 is a game changer, opening the portable payment terminal to a new world of business apps.

Highest Security

The Move/5000 is PCI-PTS 5.x certified and satisfies the latest hardware and software security requirements. Its Telium TETRA OS uses the latest cryptographic schemes with future-proof key length.

All Payment options

The Move/5000 supports all forms of electronic payments including EMV chip & PIN, chip & sign, magstripe, signature capture, and NFC/contactless.

User-friendly and intuitive interface

Featuring powerful multimedia capabilities and a large 3.5-inch color touchscreen, the Move/5000 provides a best-in-class user experience thanks to a rich user interface.

Designed for Mobility

The Move/5000 comes with a wide variety of wireless communication options, including Wi-Fi, Bluetooth, and 4G/LTE, guaranteeing payment availability and optimizing communication costs.

Built-in data capture capabilities

With its optional camera or barcode scanner and GPS tracking, Move/5000 enables alternative payment schemes and unlimited possibilities for innovative business apps.

Seamless NFC payment

The Move/5000 seamlessly enables contactless payment acceptance by providing a dedicated customer-facing NFC card reader zone for faster transaction flows.

An OS with secure payment and creative freedom

Backed by 30 years of experience, the Telium TETRA Operating System is the perfect combination of Ingenico Group's legacy in payment expertise and openness to the web. It embeds the best security mechanisms to protect transaction privacy, while enabling the deployment of HTML5 web-based rich media business apps.

| NAME | | | Move/5000 |
|-----------------------|--------------------------------|---|-----------|
| Processor | Application & crypto processor | Cortex A5 | • |
| Memory | Internal | 512 MB Flash, 512 MB RAM | • |
| | External | MicroSD up to 32GB | • |
| OS | | Telium TETRA OS | • |
| SIM | | 2 SIM | Optional |
